

Mac's Bridge Sports and Classic Car Festival (27th May 2018)

Individual Pre-registration Application

Pre-registration is important. It speeds up entry on the day – pre-register vehicles are requested to display a copy of their ticket on the dash and take the signed pre-registered lane. It also guarantees a parking place in the display area on the day.

3. The TSOAQ and the Organising Committee accept no responsibility for any vehicle at Belmont Range, 1485 Old Cleveland Rd. and the applicant, by signing below, accepts that they are responsible for their vehicle and any property in the vehicle while the vehicle is in the display, and similarly accepts all other rules and conditions as published on this webpage and elsewhere.
4. The decisions of judges in any class are final.
